

## Statement of the (10th) Conference of the Ta'ang Women's Organization

Letter Number: 01/2025

Date: 3 February 2025

1. The (10th) Conference and Executive Committee Meeting of the Ta'ang Women's Organization (TWO) was successfully held from (27) to (31) January 2025 in a place in the Ta'ang region with a total of (92) participants including conference delegates, advisors, audit teams, members, township representatives, members of Village Violence Reduction Committees, members of Village Women's Representative Committees, special invitees, and observers from various civil society organizations.
2. During the conference, various reports were submitted and discussed on the work implemented during the (2) years 2023-2024. The organization's vision, Mission, Structure, Strategies, Values, Aim, some Policies and situations of women were reviewed, and future plans were drafted. In addition, (11) Executive Committee members and (3) Secretariat members were elected by a secret voting system to lead the programs and works of the organization during the 2025-2026 conference term.
3. The Conference guided and approved our Ta'ang Women's Organization to work tirelessly for peace, gender equality, justice, ending authoritarianism, ethnic equality, and achieving self-determination, as well as to ensure that participation of at least 30% of women's leadership in the establishing of a future federal union. In particular, we welcome the formation of the Ta'ang Revolutionary Government this year. We would like to urge all relevant groups to include women's representation in every aspect and level of government formation. We hereby declare our readiness to work together to ensure the participation of women's leadership is included in the Ta'ang Revolutionary Government.
